

FORESTS OF DESTINY

Written by Natalia Lazarus

(I'm Still Here meets Traffic)

After a prominent Central American environmentalist is murdered, her daughter leaves her budding journalism career behind and travels back to her home country to unveil the truth and avenge her death.

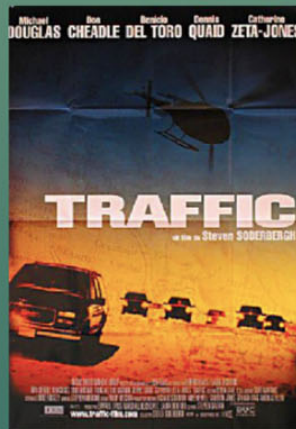

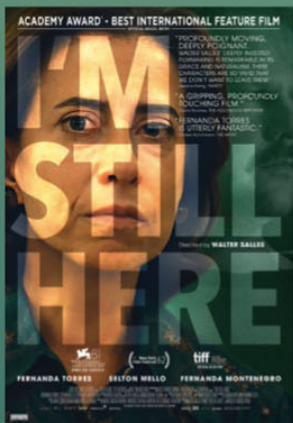

FORESTS OF DESTINY

SYNOPSIS

After a prominent environmentalist is murdered, her daughter, a budding journalist, is forced to return home. As she attempts to uncover the truth about her mother's death, she becomes enamored with her quest to save the forest and the Indian population. The journalist unravels the secrets of her mother's past and the whereabouts of her real father. Her attempts to bring the killers to justice lead her to confront her father and to the eventual downfall of the government.
